# T R E A D N E

## ***FAMILY BUSINESS***

*Established in 1974 in Ludhiana, India, Ralson's mission has always been to enable mobility. Focusing on this essential goal has made it India's largest producer of bicycle tires, the number one exporter, and a reputable OEM partner. Deep rooted in its family mores, after almost 50 years in business the company has still been*

*heartily managed as if it was just established caring for associates and catering for the community. The inspirational and visionary leadership has nurtured Ralson's core values and ethical principles playing the fundamental role for the company's dominance and sustainable growth.*

# NEW PATHS

## **ENGINEERED IN EUROPE — MADE IN INDIA**

*Ralson's attentive and skilled tire building, innovation, own R&D, and industrious manufacturing with advanced technological expertise. Blending the innovation and unmatched attention to detail have crafted Ralson best suited for tackling the unconditional needs of the demanding international customers.*

## **DETERMINATION**

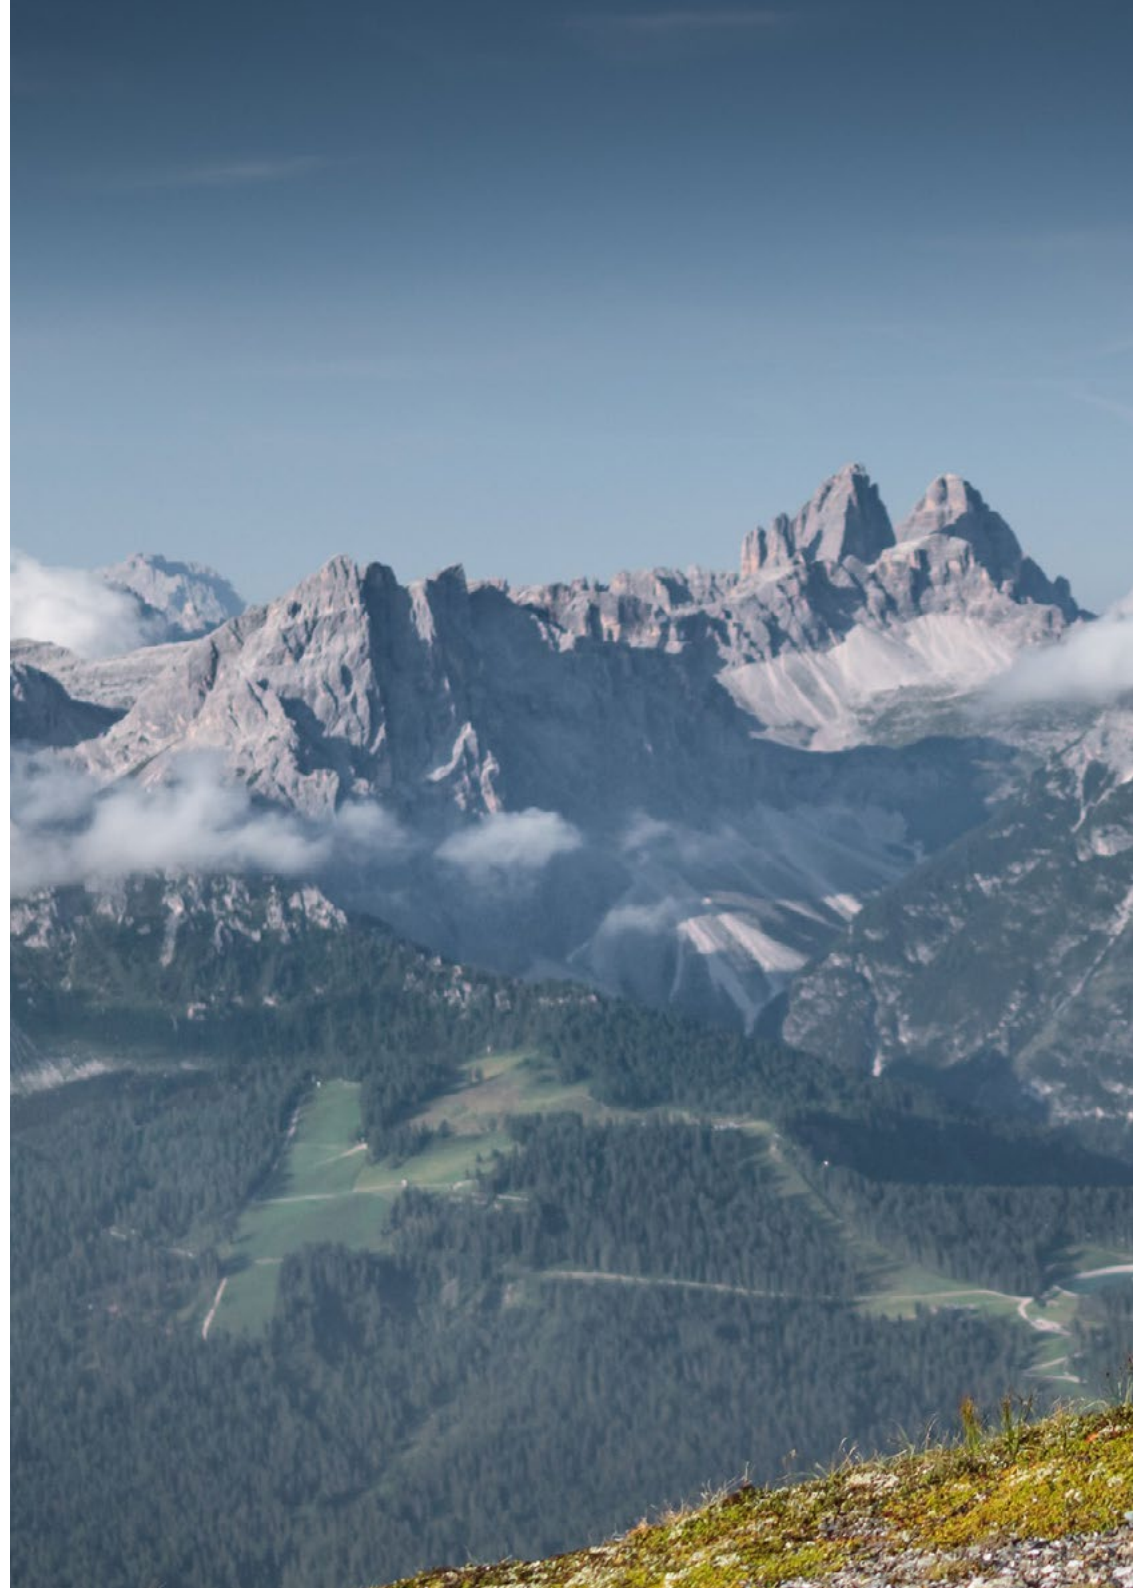

*Mobility means responsibility. Best tires don't need to be pricy. Ralson's associates have been working hard to bring the most affordable tires to the market. Determined to support Ralson's distributors and the OEMs.*
